

About VIT

Our Vision

We at VIT University impart futuristic technical education and instill high patterns of discipline through our dedicated staff, who shall set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

Our Mission

Our mission is to educate students from all over India, including those from the local and rural areas, and from other countries, so they become enlightened individuals, improving the living standards of their families, industry and society. We provide individual attention, world-class quality education and take care of character building.

Quality Policy

We at VIT University aspire to establish a system of Quality Assurance, which would, on a continuous basis, evaluate and monitor the quality of education and training imparted at the Institute, improve the teaching-learning process and ultimately, develop the Institute as a Centre of Excellence.

About SSL
